Temporary Pontoons – Jamieson’s Quay, North Harbour

Port Users and Mariners are advised that, as part of preparations for the Tall Ships event, temporary pontoons have been installed at Jamieson’s Quay / Upper Dock in the Victoria Dock.

The pontoons are spudded into the seabed and are fixed in position. The installation will remain in place until the 25th July 2025.

The pontoons are exclusively for use by vessels, watercraft and personnel associated with the Tall Ships event. They are not to be used by any other port user, including commercial operators or visiting craft, under any circumstances.

The pontoons are not charted and constitute an obstruction to navigation. VTS will manage traffic in the area to ensure adequate separation from the temporary structure. Mariners should exercise caution when navigating in the vicinity of Jamieson’s Quay and comply fully with instructions issued by Aberdeen VTS.
