# Marine Safety Management System

Additionally, Diving operations will also be undertaken at various locations within South Harbour, as marked on the chart below:

During the Diving operations, all port users and stakeholders can expect temporary delays and movement restrictions around South Harbour to facilitate safe Diving operations.

However, every effort will be made to minimise routine traffic disruption and all movements will be co-ordinated via Aberdeen VTS.

All vessels are requested to maintain a listening watch on VHF Channel 12 and comply with any instructions issued by Aberdeen VTS.
